

INDOOR SOCCER

This winter, Lakeshore Soccer Club is offering all players aged U5 to U10 the opportunity to play and develop their soccer skills in a professional environment during the 2012 winter season. The sessions will take place at John Abbot College (GYM) and will be directed by the Club's technical staff.

PROGRAM:

Following the long term player development program (LTPD), Lakeshore Soccer Club is committed to offer all its players the opportunity for them to develop their skills and fundamentals of the game through a FUN and enjoyable atmosphere with a new and revised program. The program will be guided towards players that are either taking their first steps in the game or reaching the golden age of development.

STAFF:

The training sessions will be conducted by Lakeshore Soccer Club technical staff, under the supervision of our technical coordinator for Micro and 7 a-side soccer Alexandra Eskenazi. All coaches are trained and certified as well as active players in our Senior structure with Elite background in the game.
